International Preliminary Report on Patentability (IPER) with English Translation dated 11/12/2004

Applicants are enclosing Form PTO-1449 (one sheet), along with a copy of each listed reference for which a copy is required under 37 C.F.R. §1.98(a)(2). The relevance of the non-English references is noted in the enclosed International Preliminary Report on Patentability for the priority application dated July 16, 2004 with an English translation (copies enclosed) and/or the International Search Report (copy enclosed).

Applicants respectfully request the Examiner's consideration of the above references and entry thereof into the record of this application.

By submitting this Statement, Applicants are attempting to fully comply with the duty of candor and good faith mandated by 37 C.F.R. §1.56. As such, this Statement is not intended to constitute an admission that any of the enclosed references, or other information referred to therein, constitutes "prior art" or is otherwise "material to patentability," as that phrase is defined in 37 C.F.R. §1.56(a).
